Welcome

Dear colleagues

We are celebrating an anniversary. The interdisciplinary concept has been steadily developed over the years; this year, it is dedicated to the topic "Medical Care in Extraordinary Situations" (disasters, terror, pandemics).

We are particularly pleased that two special honorary guests have agreed to join us on this occasion:

Dr. Andreas Stettbacher, Chief Medical Officer, Federal Council
Commissioner for the Coordinated Medical Services (KSD), Federal
Department of Defence, Civil Protection and Sport (VBS), Swiss Armed
Forces, Armed Forces Staff – Medical Services

Dr. Falk von Lübken, Head of Reconstructives Surgery and Septic Surgery,
Armed Forces Hospital in Ulm, DGU Working Group for Operational,
Disaster and Tactical Surgery (AG EKTC DGU)

Furthermore, we will again be welcoming important representatives of the
European Society of Trauma and Emergency Surgery (ESTES):

Dr. Klaus Wendt, General Secretary of ESTES
Dr. Radko Komadina, President of ESTES 2020/21

They will contribute factual information and a panel discussion on the
topics outlined above.

Hans-Peter Simmen (Prof., Dr.)
Swiss Trauma Board

Jürg Hodler (Prof., Dr.)
Institute of Diagnostic and
Interventional Radiology

Donat R. Spahn (Prof., Dr.)
