

First Zurich Precision Oncology Symposium

Thursday, March 07th, 2019, 09.45–17.05

Grosser Hörsaal PATH, PATH D 22, University Hospital Zurich, Rämistrasse 100, 8091 Zurich

09.45 **Welcome**
Chairs: Markus G. Manz, Rolf Stahel, Michael Weller

Molecular testing and molecular tumor board – Michael Weller

09.50 **Precision Oncology in a phase I Unit** – Rodrigo Dienstmann
10.10 **Platforms and algorithms for precision oncology** – Holger Moch
10.30 **Challenges and pitfalls of basket and umbrella trials** – Michael Weller
10.50 Discussion

11.05 Break

Keynote address – Rolf Stahel

11.30 **Cancer Genome Landscape** – Núria López-Bigas
12.10 Discussion

Precision Oncology for Solid Tumors 1 / Ongoing Research Activities 1 – Markus Manz

12.15 **SPHN** – Olivier Michielin
12.35 **GI tumors** – Ralph Fritsch
12.55 Discussion

13.05 Lunch

Precision Oncology for Solid Tumors 2 – Matthias Guckenberger

13.50 **NSCLC** – Rolf Stahel
14.10 **Breast Cancer** – Christos Sotiriou
14.30 **Sarcoma** – Christian Britschgi
14.50 Discussion

**Precision Oncology for Hematologic Malignancies / Case presentations –
Markus Manz**

- 15.05 **Lymphoid malignancies** – Thorsten Zenz
- 15.25 **Cases from the molecular tumor board** – Staff
- 15.45 Discussion

- 15.55 Break

**Precision Oncology for Solid Tumors 2 / Ongoing research activities 2 –
Rolf Stahel**

- 16.15 **GU tumors** – Christian Britschgi
- 16.35 **ImmunoCure**– Patrick Roth
- 16.55 Discussion

- 17.05 **Wrap up and Apéro**

Kindly supported by:
