Seminar

University Department of Rheumatology

Neutrophils in chronic inflammation and autoimmune diseases

Friday, September 1st, 2022, 16.00 – 18.00 CEST

While the resolving function of neutrophils in acute inflammation is well established, their role in chronic inflammation is far less well understood. In this online seminar, two experts in the field will provide insights into the different neutrophil populations and their contribution to chronic inflammation and autoimmunity.

- 16.00 h** **Welcome**
Oliver Distler, Zurich, Switzerland
- 16.05 h** **Neutrophil dysregulation and heterogeneity in systemic autoimmunity**
Mariana Kaplan, National Institute of Arthritis and Musculoskeletal and Skin Disease, Bethesda, MD, USA
- 17.05 h** **NETs, the good, the bad and the ugly**
Martin Herrmann, Friedrich–Alexander–Universität Erlangen–Nürnberg (FAU) and Universitätsklinikum Erlangen, Germany
